In re application of:
Silver, et al **DECISION ON PETITION**
Serial No.: 09/114,335
Filed: July 13, 1998
For: **METHOD FOR FAST, ROBUST, MULTI-DIMENSIONAL
PATTERN RECOGNITION**

This is a decision on the petitions received on November 17, 2000, to withdraw the holding of abandonment in the above-identified application.

The above-identified application became abandoned for failure to reply within the meaning of 37 C.F.R. 1.113 in timely manner to the Notice to File Missing Parts of Application mailed August 5, 1998. Which set a shortened statutory period for reply of two (2) months. Accordingly, this application became abandoned October 6, 1998. A notice of abandonment was mailed June 16, 1999.

On November 17, 2000, the office received a communication from the attorney of record. Enclosed was an acknowledgement that the attorney never received the Notice to File Missing Parts mailed August 5, 1998.

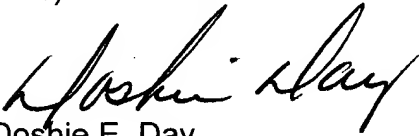

The evidence submitted is sufficient to establish that the petitioners never received the Notice to File Missing parts mailed August 5, 1998.

The petition is hereby **GRANTED**.

A new Notice to File Missing Parts is enclosed with this Decision setting forth a new response period of two months from the date of the notice.

The above application has been lost and is reconstructed for examination purposes. The office regrets any inconvenience this may have caused the client.

Telephone inquiries concerning this matter may be directed to Doshie E. Day at (703) 308-3640.
